Jay Peak

If you've been to Jay Peak, you know their reputation is deserved—the most snow in eastern North America and a liberal in-bounds policy that ensures you can enjoy it. 79 trails, slopes and glades wait for you but the nooks and crannies are what really set Jay Peak apart!

Condos

The condos are ski in/ski out, located within walking distance of the Pump House Indoor Waterpark and Ice Haus Indoor Arena. All condos are also located conveniently along our free Resort Shuttle Loop.

The Jay Peak Pump House indoor waterpark is a chance to catch a different thrill on the slides, shoot hoops and climb rocks in the activity pool, and test your skill on the Flowrider. Single day tickets will be available for an additional charge at the resort.
